

# Who Are We?

Montville Township High School “**STAGE**” is an organization of parents and students who are promoting and supporting the Arts in our Schools. Initially, we are focused on upgrading the theatre facilities at Montville High School.

The lighting and sound equipment in the MTHS auditorium is showing its age. When our district’s students perform, whether in theatre, band, or orchestra, they deserve to be heard and seen. Our audiences deserve better than feedback, static and shadows. This year MTHS STAGE joined with the PTC to purchase new sound equipment for the auditorium. Next year we improve on that and get to work on the lighting.

Our students work hard, investing heart and soul to bring us theatre and music. STAGE believes that it is time for us to invest in our students’ performances.
